ALTON PARK, TENN.—"Dr. Pierce's medicines have been used a great deal in my family with the very best of results. I had a girl that had chronic bronchitis and I never found anything that would give her relief until I began giving her Doctor Pierce's Golden Medical Discovery and it gave her more real help than all other medicines put together. I have taken 'Golden Medical Discovery' for stomach trouble and it was excellent for this ailment; it purifies one's blood and seems to act upon, and build up one's whole system in a good, healthy state. 'Golden Medical Discovery' is a splendid family medicine and I take pleasure in recommending it."—Mrs. J. A. BEAN, 1600 Highland Avenue.

Few folks or families now living have not at some time or other used Dr. Pierce's Golden Medical Discovery for the stomach, liver or blood. Over twenty-four million bottles of this tonic and blood remedy have been sold by druggists in this country.

WEST FRANKFORT, KY.—"I can recommend Dr. Pierce's Pleasant Pellets most highly for they have been used for many years past by my own people and by my husband's and later on by myself. I have never known such a mild and effective remedy for sluggish liver and constipation as Dr. Pierce's Pleasant Pellets."—Mrs. A. D. HARRIS, No. 606 Polgrove Street.

These little, sugar-coated pills are composed of Mayapple, leaves of aloe, root of jalap—things that Nature grows in the ground, and are sold by druggists everywhere.

A Sad Reflection.

"Yes. Traffic policemen seem to be made of sterner stuff."

"Why so?"

"You would think they'd resign for the same reason, but they never do."—Birmingham Age-Herald.

ROOSEVELT URGES HARDING SUPPORT

DEFEATED DEMOCRATIC CANDIDATE FOR VICE-PRESIDENT ISSUES STATEMENT.

Franklin D. Roosevelt.

New York.—Franklin D. Roosevelt, defeated Democratic candidate for vice-president, in a statement at his Hyde Park, N. Y., home, made public through Democratic national headquarters here last week that he hoped "that Americans of all parties will give wholehearted support to the new administration in working out problems that confront us."

"The result of the election in no way changes the duty of this country to join with the other nations in the splendid effort to solve international difficulties, to end militarism, and to avoid future wars for all time," Mr. Roosevelt added. "A general awakening among the voters of the country as to the need of an immediate and broad reorganization of the archaic administrative machinery of the government and business methods of the congress afford an opportunity to Senator Harding and Gov. Coolidge for constructive leadership. They occupy a strategic position never in modern times accorded to an administration, for they combine a senate and house."

TO BUILD ANOTHER DAM.

Alabama Power Company Announces Plans for \$6,000,000 Project.

Birmingham, Ala.—Construction of another power dam across the Coosa River with a capacity of 120,000 horsepower and at a cost of about \$6,000,000, is to be started by the Alabama Power Company as soon as federal authorities approve the application, which was filed, according to an announcement by officials of the Alabama Power Company.

The new plant will have a capacity of 5,000 horsepower greater than that at the company's dam at Look 17, on the Coosa, built eight years ago. The new dam is to be completed by Jan. 1, 1923.

The figures are: Yes, 242,310; no, 232,270. The same precincts gave Debs, Socialist candidate for president, a vote of 18,715.

BANDITS GET \$20,000.

Detroit, Mich.—Four masked men held up three messengers of the Detroit Savings Bank on Seventeenth Street and robbed them of \$20,000. The messengers, who were riding in an automobile, had been making collections at branch banks. The bandits escaped.

Auto Crashed Into Tree.

Huntsville, Ala.—Will Cobb, 35, of New Hope, Ala., had his brains dashed out against a tree when a big automobile in which he and three other friends were riding skidded on a slick pavement. Walton Johnson of New Hope was driving. He and Clifton Taylor and Will Copper were slightly injured in the accident. Cobb was thrown out of the car by the impact and died before reaching the hospital. He leaves a wife and two children.

ONE LONE WOMAN VOTED.

Atlanta.—Only one woman voted in Georgia, according to reports at the state capitol, and she was Mrs. Mary Jarrett White of Stephens county, who paid her taxes and registered at Tocon six months before the election, thus complying with the state law.

Other women were barred by the six months' registration law, but there was no explanation of how Mrs. White managed to get her name registered before the nineteenth amendment was adopted. She voted for Cox.

OFFICIALS KILLED IN WRECK.

Two Meet Death When Private Car Is Wrecked.

John, Mo.—C. C. Higgins, superintendent of motive power for the St. Louis & San Francisco Railroad, and Louis Pennell of Monett, Mo., were killed, and M. Boucher and A. C. Newton were seriously injured when an extra freight train crashed into Higgins' private car at Racine, Mo., 20 miles south of here.

The private car was attached to a southbound passenger train and an empty coach between it and the two passenger coaches saved train crew and passengers from injury. The private car was demolished.

Geo. W. Stevens Dies.

White Sulphur Springs, W. Va.—George W. Stevens, president of the Chesapeake & Ohio Railroad, died here from a paralytic stroke. Mr. Stevens was apparently in the best of health when he retired at 1 o'clock a.m., after sitting up to hear the election results.

Washington.—Railroads of the country will show net earnings for September, the first month of increased rates and no government guarantee, of approximately \$80,000,000, judging by figures on 190 out of 187 class I roads compiled by the bureau of railway economics. If the roads were to show an annual return of six per cent on their properties, as was intended by the Interstate Commerce Commission in approving increased freight and passenger rates, the earnings for September should total about \$109,000,000.

REMAINS CHEERFUL DESPITE REVERSE

GOV. COX WILL VISIT EUROPE TO STUDY THE CONDITIONS OVERSEAS.

James M. Cox.

Dayton, O.—Gov. Cox, looking forward to the time he will surrender his state office in January, announced that he was considering a trip abroad early next year to study conditions in Europe. Meanwhile, he said, he planned to work and rest, leaving here for the state capitol, then starting for a hunting trip in Mississippi.

His smile was still apparent and the mass of telegrams seemed unanimous in declaring he had made a "good fight."

The governor's first act after election day was to send a congratulatory message to Senator Harding, the president-elect, in which he volunteered as a "soldier" to support the nation's chief executive in "whatever emergency might arise."

In an interview the governor said: "I have not had a chance to travel much. I began work quite young and I think I'll soon go to Europe to study conditions there."

The governor's voice seemed rather husky, worse than at any time during his campaign, and he explained that it "must be due to a lull in the vocal chords."

The governor divided his time between his home here and his farm at Jacksonburg, the place of his birth. While at the farm he helped the farm workers husk corn. Mrs. Cox was with him during the day, and they scanned the many messages received at their home.

Students Quit Dances.

Urbana, Ill.—Dances at the University of Illinois lost all popular favor among the student body following the ban placed on the shimmy, the toddle and other objectionable forms of dancing by the Student Union and Woman's League. Attendance has dropped to such an extent that entertainment committees are seriously thinking of eliminating the affair from their winter entertainment program.

Many guests attended the reception in Miss Stone's honor. She wore a white crepe de chine gown and carried a bouquet of white roses.

During the reception, Miss Stone recited two poems, both original. She was the recipient of many gifts.

FELT FAGGED, NO ACCOUNT

Result of Indigestion, Headache and Other Troubles.—This Tennessee Lady Took Black-Draught and Found Relief.

Flinnville, Tenn.—Mrs. Addie Sanders, of this place, says: "I suffered from constipation a long time. This, of course, brought on sour stomach, indigestion and headaches. I felt fagged and no account."

"I started in taking Black-Draught. I found it was helping me. I continue to use it, and have for years. I don't know how to start to praise Theodor's Black-Draught."

"Today I am regular, no more constipation, headaches or indigestion. In fact, all I eat tastes sweet and good to me... since my liver is cleansed by the use of Black-Draught."

"I am well and proud to make this statement of what Black-Draught has done for me."

Constipation often leads to serious disorders among those who do not understand its dangers, or who neglect to treat it without delay.

Theodor's Black-Draught is a medicine that every person should keep in the house, and use at the least sign of constipation, or torpid liver.

HOW DOCTORS TREAT COLDS AND THE FLU

First Step in Treatment Is a Brisk Purgative With Calotabs, the Purified and Refined Calomel Tablets that are Nausealess, Safe and Sure.

Doctors have found by experience that no medicine for colds and influenza can be depended upon for full effectiveness until the liver is made thoroughly active. That is why the first step in the treatment is the new, nausealess calomel, called Calotabs, which are free from the sickening and weakening effects of the old style calomel. Doctors also point out the fact that an active liver may go a long way towards preventing influenza and is one of the most important factors in enabling the patient to successfully withstand an attack and ward off pneumonia.

Use Calotabs on the tongue at bed time with a swallow of water—that's all. No salts, no nausea, no sleep interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine, with a hearty appetite for breakfast. Druggists sell Calotabs only in original sealed packages, price thirty-five cents. Your money will be cheerfully refunded if you do not find them helpful.—(Adv.)
